

For the Annual Parish Meeting

## **Report on the year at St. Swithun's - 2006-2007**

This year a number of significant developments have taken place at St. Swithun's.

We now have a new youth group for those aged 14+, which is called S3 (S-cubed) and a youth band, consisting of guitars, drums, saxophone and clarinet - so far!

Our new women's group has spent a great deal of time eating(!) but also enjoyed evenings reviewing books and singing all kinds of music.

Our new men's group has spent a great deal of time eating breakfast(!) and also been ten-pin bowling and are soon to explore the caves nearby.

We are running a Parenting Course on a Monday morning once a month which is proving very popular with young parents in the village.

We have also run a very exciting 'Christianity Explored' course for anyone with questions about faith.

You are always welcome at any of these events. So, if you are interested in any of them or would just like to know more about St. Swithun's, do give Tim a ring on 858325.
